STOP ODORS BEFORE THEY START.

SURESEAL® & SURESEAL® PLUS

allow drainage while quickly and effectively solving odor problems and bug infestation associated with infrequently used floor drains. Can be used in all commercial and residential floor drains and floor/mop sinks.

- Easily retrofitted to older drains.

SURESEAL® PLUS

Waterless in-line floor drain trap seal with backwater protection.

- Easily installs into any standard 2” or 3” drain.
- Seal out drain odor, bugs and also provides protection against drain backup.

SURESEAL® VENT-GUARD

Provides odor control from grease interceptors and roof vents. Also eliminates roof vent blockages from nesting.

- Can be used on older roof vents.

PRESS-FIT ODOR CONTROL

SURESEAL® STANDARD

Waterless in-line floor drain trap seal.

- Easily press fits into a standard drain to seal out odor and bugs.
